# Student Council

Making a difference, one step at a time.

## Meet the 2013 ASB!

"The group leaders...embrace the fact that others can serve...and position..."

—John Maxwell

### President

Randi is this year's President. This is her second year being a part of Jewell's ASB. She has been a part of the Student Council since her eighth grade year as well as the leadership class for three years.

### Vice President

Dalton has been involved in STUCO almost every year of high school. He always was a class leader but decided to step it up a notch!

### Secretary

Moira was this year's secretarie. She was a class representative last year as well as being in leadership class, but this year she wanted to put to use her leadership skills in a bigger role!

The Leadership class packing Troop Care Packages.

The Leadership class collected Christmas gifts of presents for cancer patients. They called it the Toy Drive.

"I really liked staying involved with the Student Body. It was a really progressive year."

"I learned a lot my first year on Student Council, it was a lot of fun and we got cool t-shirts!"

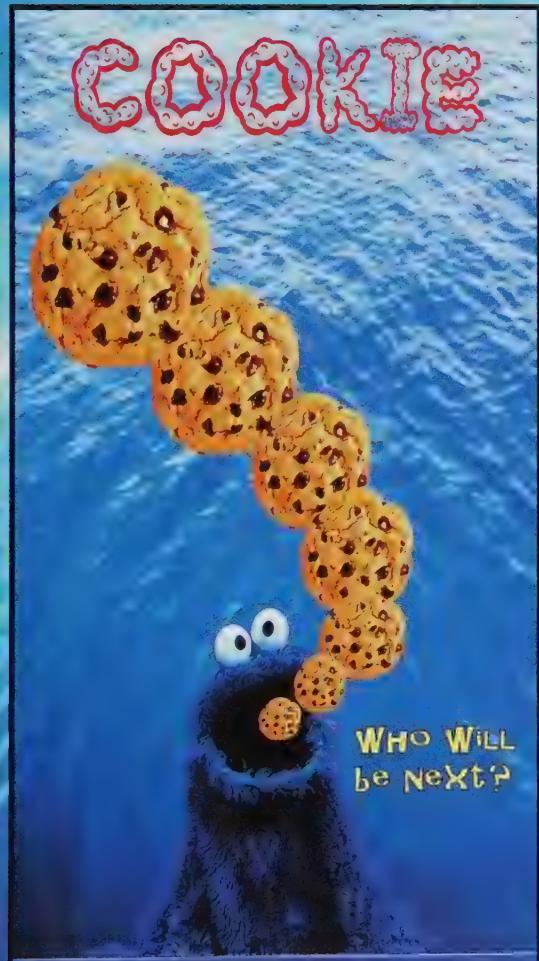

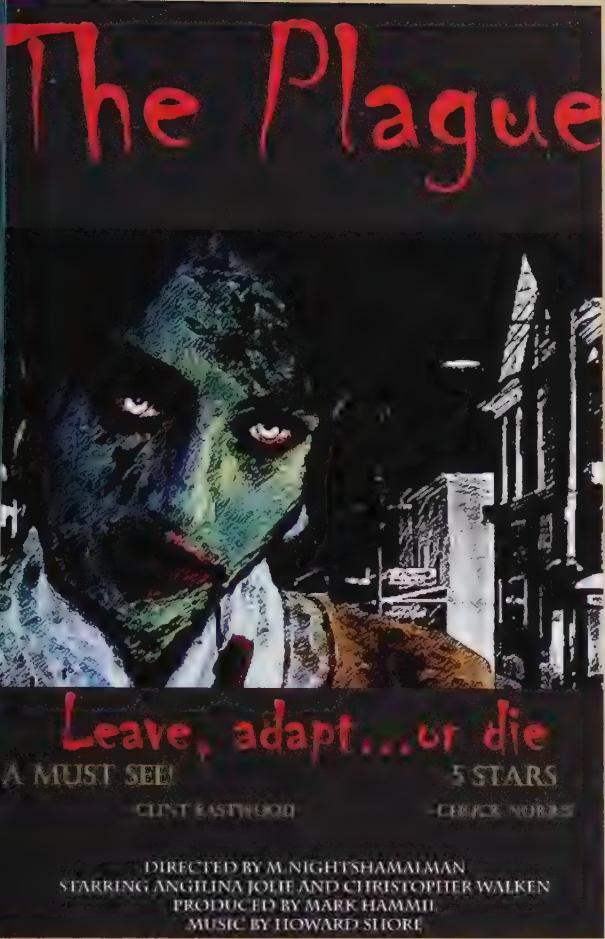

Above is Randi teaching Moira a new way to tie her shoes! On the right Randi and Dalton need YOU to support student council.

# Band

## Concert Band

This year the Jewell choir competed against 18 other schools. They receive an average score of 82.6, which is state qualifying.

Mr. Pederson has been at Jewell for over five years. He has brought the band program from beginners to district contenders.

Grace is a great percussion player who learned early.

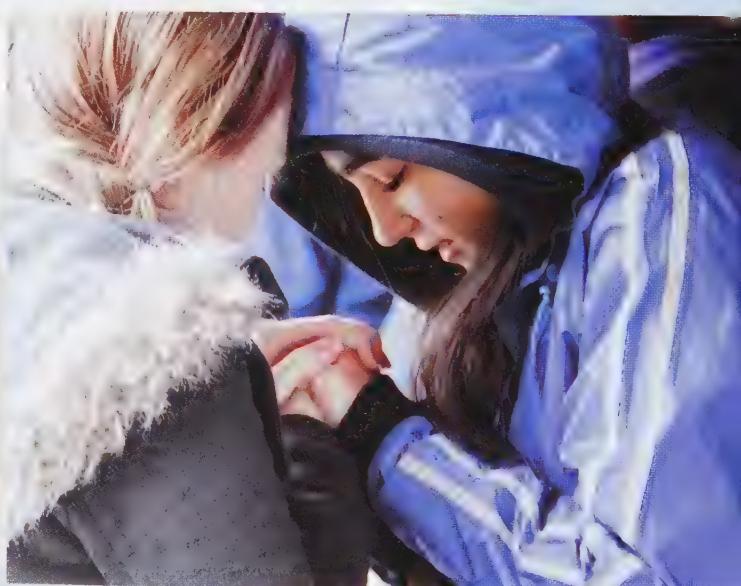

Sophie Hoyt is a second year Saxophone player.

Dallas Ritchie plays third chair trumpet.

Tabitha is a great addition to the choir.

# Field Trips

The students took various fun trips to places such as the zoo, the Japanese Gardens, and Ashland.

# Ashland 2012

Rebecca, Tabitha, and Grace enjoying a snack.

Dalton sharpening his hula-hooping skills in the sun.

Tabitha and Claire chatting over breakfast.

Rebecca enjoying herself in Ashland.

Nick hula-hooping with his shadow.

The group getting ready to go to their first play!

Blake Ellis showing off his hoopin' talent in the park.

Sophie and Moira taking in some sun next to the creek.

# Creative

David Turner, Luke Swearnigen, Lucas Thompson, and Michael Porter all went golfing with interim Superintendent Mr. Carlile.

Sophie Hoyt goofing around on the bridge at the Japanese Gardens:

Ms. Morrison taught students to make silk screen t-shirts. The process consisted of picking a design off the internet and screening the design back onto the t-shirt with ink.

# Day

Tami Swearingens' group learned various knitting techniques, and were all given the chance to knit something nice for themselves. To the left is Randi Harhart knitting a scarf.

Mr. Bloker taught students Asian cooking. They learned how to make dishes like Panko Shrimp, Egg Rolls, and Maki Sushi.

The local fire department taught a workshop on CPR as well as First Aid. They were lead by Fire Chief Mike Wammack.

# The Japanese Gardens

## Creative Day 2013

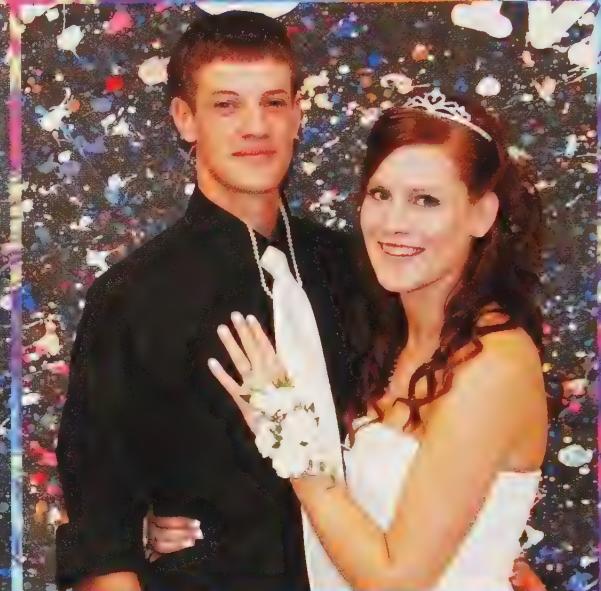

The students got to experience the Japanese culture by touring the largest Japanese garden in the United States. The gardens are based on traditional gardens in Sapporo, Japan.

After the gardens the students had traditional Japanese and Chinese food in Beaverton, including sushi, sashimi, squid, egg rolls, duck, and barbecue pork.

# Homecoming 2012

## HONORS:

Lucas Thompson received Best Running Back as well as league honors of second team offense. Matt DePonte was voted MVP of the team with league honors of second-team offense and honorable mention defense. Blake Ellis received Most Inspirational as well as Second Team All Defense. Dalton Blanchard received the great honors of Best Line Backer, Best Offensive Lineman, and Second Team All Defense. Chris Hauer was voted Best Defensive Lineman and Second Team All Defense. Victor Berg was voted Rookie of the Year and Charlie Reel was voted Most Improved. The three captains that lead the team were Blake, Dalton, and Andrew.

Above is senior Blake Ellis running the ball in from the back field.

# touch down

Junior Ryan Harhart getting ready to block for Nick Porter.

The boys focusing hard.

With the offense flowing most games, it was defense that became the deciding factor of winning and losing. In the Blue Jays first three showings of the season they held their opposing teams scoreless. In their fourth game the Jays finally allowed their opponents first TD, but Jewell still came out with the 60-8 win over Portland Lutheran. The Blue Jays stellar defense would earn them a record of 4-0, but their success would come to a screeching halt, losing their next 3 games, two of them being to league teams Perrydale and St.Paul. The Jays were still able to build momentum from their tough losses, and win their last two games of the year against Falls City and Scappoose.

After finishing 3rd place in the Casco league, Jewell was expecting to qualify for the state playoffs, but after a mid-season rule change only the top two teams from Casco would qualify. This pushed the Jays out of the playoff picture and was a big blow to the heart of the team. Regardless, Jewell was able to pull out one of the best seasons in years, and hopefully will inspire Jewell's up and coming youth to keep and develop a winning culture.

Senior Lucas Thompson shooting a three-point shot.

Co-Captains Ryan Harhart and Luke Swearingen taking a breath on the bench.

Senior Night.

Michael Porter finishing his layup at the basket.

## Boys Basketball

The Jays finished league with a winning record of 8-4, earning them their first playoff berth in the last decade. Jewell ended up the 3rd place team, behind Country Christian and Perrydale, and found themselves matched up against their rival, St. Paul in the sub district round of the playoffs. Jewell won the game by a slim margin and advanced to district tournament, putting them in the state bracket. The Jays would lose to Perrydale and have to play City Christian in the first round of the state bracket. Jewell played a good game but ended up losing by 3 points, 63-66. Jewell came into the game ranked 31st in state and City came in 2nd, showing that Jewell has come a long way. The Blue Jays wrapped up the year with an overall record of 14-12, putting their team mark in the pages of Jewell basketball. Besides the fact that Jewell had a great season as a team, they also had great seasons as individuals. Four of the Jays five starters earned league honors. Senior guard, Michael Porter (honorable mention), senior forward Donald Tate (honorable mention), junior forward Ryan Harhart (1st team all league), and senior guard Luke Swearingen (League MVP, and 1st team all league).

## Lady Jay Volleyball

For the lady Jays, this past season was a rebuilding year. With a new coach, new team and new system the Lady Jays didn't know what to expect. The Jays would have a turnout of only nine players, two of them being seniors and the rest mostly underclassman. This gave the Jays a rare opportunity to focus on getting better and using the season to create a foundation for a new system for years to come.

Jewell finished the year with an overall record of 4-15, and a league record of 1-13, being one of the worst records in Jewell volleyball history. Jewell's volleyball team has been at the top in the state for the last ten years but after losing key players for the past couple years the Jays have slowly fallen down the state ladder. This season may have been disappointing win wise, but the year had its ups. From the beginning to the end of the year the team improved greatly, and individually each player learned what it takes to be successful. And although on paper the Jays didn't impress, they had great talent on the team, and earned recognition for it. Senior Randi Harhart received 2nd team all league honors, and was the leader for the Jays all year. Next season for the Jays will be one that is going to be hard to fortell. Losing Harhart will be tough to recover from, but with hard work and dedication the Jays can work their way back to the top of the league.

Below is Randi Harhart hitting the ball back over the net. Right is Claire Reams serving an underhand serve.

## Outstanding Athlete

"This year was definitely different from my other years playing volleyball but, it was probably the funnest.

I'll never forget the friendships I made and the skills I learned. I'm so grateful to have played with such a great team."

-Randi Harhart, Senior

This year Jewell's way of attack was putting the ball in the hands of either senior guard Randi Harhart or junior forward Justyce Tabor. Together the two accounted for over 80% of the teams points and lead in every statistical category. But without the defense of

the rest of the team, Harhart and Tabor wouldn't have been able to be as successful on the court. The younger classman did most of the "dirty work" on the team, setting picks, hitting the open person, boxing out and being a cog in the team engine. Coach

Fick's stress on being a single unit and a TEAM is what brought the girls as far as they made it.

With the season coming to an end by the hands of the Country Christian Cougars,

the Lady Jays fell one game short of making the state bracket this year. It was still a successful year for the Lady Jays finishing with the fourth best record in league play. Making 4th

place gave Jewell's duo Tabor and Harhart a better chance at receiving league honors. Harhart made 1st team all league and Tabor made 2nd team, putting the cherry on top of a fun season.

Above is Junior Justyce Tabor winning the tip at districts. She was victorious winning every tip throughout the season.

Above is Sophomore Rachel Stahly fighting for the rebound . Right Senior Randi harhart shooting a quick shot.

## For The Record

Senior Randi Harhart leads not only the Jewell highschool record for high jump, but is ranked number one in the state.

*Randi later stated:*

*"This year I have high hopes about getting to the state championship! I really dislike the weather, but I love competing."*

Above is Randi executing a flawless jump in seaside.
